

# ECaT Top Tips for Talking

## August 2021

Be careful with  
questions

Try not to ask too many questions

Especially ones that sound like you're  
constantly testing them!

The best questions are those that make children  
think rather than give an instant answer, like  
'yes' or 'no'.

Good questions start with 'why?', 'how?' and 'what if...?'

Nursery Rhyme of the month:

# Twinkle Twinkle Little Star

*do all your children know this Nursery Rhyme?*
