

**Southampton and Eastleigh Building Control Partnership -
Statement regarding working with the Building Safety
Regulator.**

The Building Safety Regulator (BSR) will become the Building Control Authority for high-risk buildings from 1st October 2023.

Southampton and Eastleigh Building Control Partnership will support the BSR in determining compliance with building regulations utilising the following single hourly rate for 2024/25 - £80.24

This rate will be kept under review and has been calculated to achieve full cost recovery. The rate is approved by Southampton City Council's Section 151 officer.
