1. Enclosed wildlife area protects a section of beach from visitors and dogs.

2. The gravel paths are long and straight to echo the areas Roman heritage. Emphasises the view from Bitterne Road.

3. Bunding to prevent unauthorised vehicular entry.

4. Car Park with bunding to control vehicular access onto the park. Litter bins.

5. Picnic benches,

6. Informal play such as fallen trees and timber in the woodland.

7. Sycamore thicket thinned leaving the best trees to mature and to allow underplanting with native bulbs

8. The existing entrance restored to it's original design, with additional Park Identity Marker.
