Subject: Asbestos Refurbishment Survey for Admin Unit SHIRLEY TOWERS MILNER STREET ;
Service Request Reference:18789

A 'refurbishment/demolition' survey (as described by HSG264, Asbestos: The Survey Guide) has been completed at Admin Unit SHIRLEY TOWERS MILNER STREET by this department to facilitate the following proposal:

Project Description:
Unique Project Reference: RP300386
Unique Property Reference: 4339100005

The findings of this survey have been reported on Southampton City Council's corporate asbestos database and are published in the reports generated from that system on or after the date of this notice.

This note must be retained with the Asbestos Survey Report (generated from the database) as proof that the asbestos risks have been adequately and sufficiently assessed for the project referenced above.

The Asbestos Survey Report can be accessed at:

<http://vir-grn-dotnet1/apps/asbestos/>

You must ensure that any asbestos hazards identified within this report are considered and appropriate actions taken to manage any risks presented by the proposed works. Regulatory Services – Scientific Service may provide advice to assist with this process.
