

COVID-19 and Knowledge Tests

Lockdown #3

We are once again having to stop appointments for knowledge tests. If you have already made an appointment, it has been cancelled and we will be making attempts to contact you to advise you of this.

Prospective applicants are advised to keep checking the noticeboard section of our website for news of when we are able to take appointments once again.

If you wish to contact us about an application, please email us at licensing@southampton.gov.uk or you can call on 023 8083 3002, then option 4. If you have not submitted your application, we would advise that you hold on until government restrictions are eased.
